Other products you plan to sell, as allowed by the market's rules and regulations:

Each market booth is a 12' x 30' space and will be assessed a rental fee of \$10.00 per market day. If you rent for the full season (20 weeks) rent is \$100.00 (half price compared to paying week to week), paid in advance. Full season vendors will be entitled to a "reserved spot". Allocation of spaces will be done on the first day of the market.

The market season for 2010 will run from June 16th to late October. If the products you offer for sale do not allow you to participate for the entire season, please indicate when you plan to start coming and when you are likely to finish:

- I plan to attend the market for the full season (please remit \$100.00 per space rented with application, which ensures you a "reserved" spot).
- I will start attending market _____ and will be finished for the season on or about _____.
- I wish to participate in the FMNP (see enclosed information) so that I will be eligible to accept FMNP coupons for my produce. I understand that to be eligible, 80% of the produce volume I sell must be grown by me.
- Please indicate the number of stalls you will be renting for the season: _____

Cornell Cooperative Extension and the Seneca Falls Development Corporation strongly recommend that each vendor carry general liability insurance to protect them in the event of any legal action brought by a third party in connection with unforeseen activities or accidents at the Farmers Market or any event they may wish to attend. Both CCE and SFDC carry insurance as a matter of good business policy and any of our vendors should be able to provide proof of such insurance if requested. Certificates of insurance may include letters of General Liability Coverage through Church Membership, farm policy certificates, or homeowner's policies.

The market management reserves the right to do spot visits and farm inspections to assure that products sold are in compliance with the market's rules and regulations.

I, the undersigned, have read the Rules and Regulations of the Seneca Falls Farmers' Market and do agree to abide by all of the rules and regulations.

I agree to operate my booth in a safe and courteous manner and to pay rents as set forth by this agreement. I understand that failure to comply with the rules and regulations could result in dismissal from the market.

I verify that all information I have provided about my farm and products for sale is true and accurate.
